DISCLOSURES

THIS SUMMARY IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT AN OFFER TO BUY OR SELL SECURITIES. Such offers may only be made to qualified Accredited Investors¹ via Private Placement Memorandum (“PPM”). All potential investors must read the PPM and no person may invest without acknowledging receipt and complete review of the PPM. With respect to any “targeted” goals and performance levels outlined herein, these do not constitute a promise of performance, nor is there any assurance that the investment objectives of any program will be attained. These “targeted” factors are based upon reasonable assumptions more fully outlined in the Offering Documents/PPM for the respective offering. Consult the PPM for investment conditions, risk factors, minimum requirements, fees and expenses and other pertinent information with respect to any investment. These investment opportunities have not been registered under the Securities Act of 1933 and are being offered pursuant to an exemption therefrom and from applicable state securities laws. All offerings are intended only for accredited investors unless otherwise specified. Past performance is no guarantee of future results. All information is subject to change. Issuer does not warrant the accuracy or completeness of the information contained herein.

The tax consequences of investing in these types of offerings are complex and vary with the facts and circumstances of each individual investor. Past performance and/or forward-looking statements are never an assurance of future results. Potential investors should always consult their own independent tax and legal advisors regarding the suitability of this investment. Emerson Equity LLC and its Financial Advisors do not provide tax or legal advice and you should consult your accountant and/or attorney if considering an investment of this type.

DISCLOSURES

Risk Considerations: Investments in real estate, including tenant-in-common or Delaware Statutory Trust interests, are subject to various risks that are set forth under “Risk Factors” in the PPM or in supplements to the Memorandum which should be read carefully, before any investment is made.

Only available in states where Emerson Equity LLC is registered or exempt from registration. Emerson Equity LLC is not affiliated with any other entities identified in this communication. All investing involves risk. Consult your tax professional prior to investing.

1031 Risk Disclosure:

- ◆ There is no guarantee that any strategy will be successful or achieve investment objectives.
- ◆ Potential for property value loss – All real estate investments have the potential to lose value during the life of the investments.
- ◆ Change of tax status – The income stream and depreciation schedule for any investment property may affect the property owner’s income bracket and/or tax status. An unfavorable tax ruling may cancel deferral of capital gains and result in immediate tax liabilities.
- ◆ Potential for foreclosure – All financed real estate investments have potential for foreclosure.
- ◆ Illiquidity – Because 1031 exchanges are commonly offered through private placement offerings and are illiquid securities. There is no secondary market for these investments.
- ◆ Reduction or Elimination of Monthly Cash Flow Distributions – Like any investment in real estate, if a property unexpectedly loses tenants or sustains substantial damage, there is potential for suspension of cash flow distributions.
- ◆ Impact of fees/expenses – Costs associated with the transaction may impact investors’ returns and may outweigh the tax benefits.
